

Lotus Blossom

- Steps:**
- 1) Enter your core idea, problem, or area for inspection in the "Topic" square
 - 2) Fill in the 8 surrounding squares with related characteristics or parameters
 - 3) Transfer the 8 related characteristics to the like numbered boxes around the center
 - 4) Repeat for each of the individual 8 blocks of 8 - the blossoms

Note: If any blossom has >5 interesting ideas, then repeat the whole process for that blossom

	1		2			3	
		1	2	3			
	8	8	Topic:	4		4	
		7	6	5
